Christmas Bingo

30 unique cards for family parties, classrooms and cozy nights in

30 CARDS | CALLING CARDS | PRINT & PLAY

How to Play

1. Print the 30 bingo cards (one per player) and the calling cards. Cut the calling cards apart and put them in a bowl.
2. Give each player a card and a few markers: candy, buttons, coins or a crayon all work.
3. The caller draws one calling card at a time, reads it aloud, and ticks it on the caller's checklist.
4. Players cover the matching square. The center square is free.
5. The first player to complete a row, column or diagonal shouts BINGO! Check their card against the checklist.

Ways to Play

- Four corners: cover all four corner squares.
- Candy cane: cover a full diagonal from corner to corner.
- Blackout: cover every square for a longer game.
