FINDING	WHAT AI SAID	THE TRUTH
High **AI gives a wrong street address**	*"The search didn't turn up a dedicated listing for Stefanina's, but one third-party directory gives its address as 766 W Pearce, Wentzville, MO 63385."* Claude web search (session-run) · 2026-10-15 · https://www.iexitapp.com/Missouri/I-70/Exit%20208/8463	762 West Pearce Boulevard, Wentzville, MO 63385-1016 Source: https://www.stefaninas-wentzville.com AI says 766 W Pearce; you are at 762 West Pearce Boulevard, Wentzville, MO 63385-1016. Navigation apps and delivery drivers follow the wrong number.
High **AI gives wrong opening hours**	*"Hours: A Sluurpy listing shows roughly 11 AM opening daily, closing around 8 PM Monday through Wednesday, Saturday and Sunday, and 9 PM Thursday and Friday."* Claude web search (session-run) · 2026-10-15 · https://www.sluurpy.com/fr/wentzville/restaurant/4120750/stefanina-s-pizzeria	Mon 11am-8pm, Tue 11am-8pm, Wed 11am-8pm, Thu 11am-8pm, Fri 11am-9pm, Sat 11am-9pm, Sun 11am-8pm Source: https://www.stefaninas-wentzville.com Thursday closes: AI says 9pm, actually 8pm; Saturday closes: AI says 8pm, actually 9pm. FINDING	WHAT AI SAID	THE TRUTH
Medium **Your own sources disagree with each other**	Found on your own sources.	Structured data (what search engines and AI read) says Mon ?, Tue 11am-8pm, Wed 11am-8pm, Thu 11am-8pm, Fri 11am-9pm, Sat 11am-9pm, Sun 11am-8pm; the visible page says Mon 11am-8pm, Tue 11am-8pm, Wed 11am-8pm, Thu 11am-8pm, Fri 11am-9pm, Sat 11am-9pm, Sun 11am-8pm. They disagree on: Mon. Source: https://www.stefaninas-wentzville.com When your website and its structured data (or a listing) disagree, AI engines pick one at random. Fix the source so there is one answer.
Medium **AI quotes a deal or price your website does not publish**	*"- Toast listing (762 W. Pearce Blvd): A "Family Pizza Special" is listed at $30.00 and includes a large single-ingredient pizza, house salad, and garlic cheese bread."* Claude web search (session-run) · 2026-10-15 · https://www.toasttab.com/local/wentzville-mo-restaurants/best-pizza	Your website publishes no specials or deals. Source: https://www.stefaninas-wentzville.com This comes from a third-party listing, not from you. If it is stale, customers will expect a price you no longer charge.
Medium **AI cannot confirm the business is open**	*"I couldn't find current hours for Stefanina's in Wentzville, so I can't confirm whether it's open right now."* Claude web search (session-run) · 2026-10-15 · https://ground.news/interest/wentzville	Open Source: https://www.stefaninas-wentzville.com The engine found no current, trustworthy signal that you are open. That gap is what lets a wrong 'closed' answer take hold.
Medium **AI does not use your official website as a source**	*"(no answer cited the official website)"* Claude web search (session-run) · 2026-10-15 · https://www.sluurpy.com/fr/wentzville/restaurant/4120750/stefanina-s-pizzeria	https://www.stefaninas-wentzville.com Source: https://www.stefaninas-wentzville.com None of the 7 answers from this engine cited stefaninas-wentzville.com. It relied on news articles and third-party directories instead, which is how stale or invented facts get in.
Low **AI mixes in the address of a same-name business (Stefanina's Pizzeria (Stef's Pizza, O'Fallon))**	*"Conflict to note: A prospecting site lists an O'Fallon headquarters address (8645 Veterans Memorial Pkwy)."* Claude web search (session-run) · 2026-10-15 · https://www.sluurpy.com/fr/wentzville/restaurant/4120750/stefanina-s-pizzeria	762 West Pearce Boulevard, Wentzville, MO 63385-1016 Source: https://www.stefaninas-wentzville.com 8645 Veterans Memorial Pkwy belongs to Stefanina's Pizzeria (Stef's Pizza, O'Fallon). The engine flagged it as different this time, but the two businesses are entangled in its sources.
Low **Your menu and prices are not machine-readable**	Found on your own sources.	The menu page has almost no readable text (the menu appears to be images or an embedded widget), so AI engines cannot read your real prices and specials and fall back to third-party listings. Source: https://www.stefaninas-wentzville.com/menu Publish the menu and current specials as text on your own site.

Low **AI only sometimes finds your phone number**	*"The search didn't turn up Stefanina's phone number."* Claude web search (session-run) · 2026-10-15 · https://ground.news/interest/wentzville	(636) 327-5800 Source: https://www.stefaninas-wentzville.com The same engine found it for one question and not for another, so customers get a different answer depending on how they ask.

Stefanina's Pizzeria Wentzville MO address phone hours specials

Stefanina's Pizzeria is at 762 W. Pearce Blvd in Wentzville, MO 63385, and the phone number is (636) 327-5800. Two directory listings agree on both: one lists it as 762 W Pearce Blvd, Wentzville, MO 63385, and another gives Téléphone: +1 636-327-5800.

Hours: A Sluurpy listing shows roughly 11 AM opening daily, closing around 8 PM Monday through Wednesday, Saturday and Sunday, and 9 PM Thursday and Friday. It also lists 9 PM on Thursday and Friday. These hours may be out of date, so confirm by phone before visiting.

Specials: I found no current specials. Toast's listing shows popular menu items, not promotions. These include Stef's Special (L) at $19.99 and a L BYO Pizza at $15.99. Toast also lists Chicken Wings at $11.49. A separate Toast listing has a Family Pizza Special at $30.00, which is a menu item rather than a time-limited deal.

Conflict to note: A prospecting site lists an O'Fallon headquarters address (8645 Veterans Memorial Pkwy). That appears to be a company record and doesn't match the Wentzville restaurant address, so I'd rely on the Wentzville address and phone numb

2026-10-15 20:44 Claude web search (session-run)	**is Stefanina's in Wentzville MO open** I couldn't find current hours for Stefanina's in Wentzville, so I can't confirm whether it's open right now. The results didn't include its hours or any recent closure notice. The only related result is a news item saying Stefanina's in Wentzville, Missouri, has been in business for over 25 years. A separate story from the same source reports that the restaurant has been dealing with Google AI displaying items on the menu, as well as specials that don't exist. That suggests the restaurant was operating at the time of the report, but it doesn't say anything about today's hours. To check, I'd suggest looking up its Google Business Profile or calling the restaurant directly. Sources cited: https://ground.news/interest/wentzville
2026-10-15 20:44 Claude web search (session-run)	**Stefanina's Wentzville hours** The search didn't turn up Stefanina's hours. For current hours, try Google Maps, Yelp, or the restaurant's own website or social media pages, since they're more likely to be up to date. 2026-10-15 20:45 Claude web search (session-run)	**Stefanina's Wentzville deals specials** I didn't find a current deals or specials page for Stefanina's Wentzville. The results only show menu prices from third-party listings, which may be out of date. - Toast listing (762 W. Pearce Blvd): A "Family Pizza Special" is listed at $30.00 and includes a large single-ingredient pizza, house salad, and garlic cheese bread. Popular items include Toasted Ravs for $8.00 and Three Cheese Potato Skins for $11.00. - Another Toast listing: The Stef's Special (L) is $19.99, and the L BYO Pizza is $15.99. Each additional ingredient is $2.49. Chicken wings are $11.49 with your choice of sauce. - Restaurant guide: A local guide describes Stefanina's as one of Wentzville's highest rated restaurants, in business for over three decades. It lists the phone number as 636-327-5800, which is the best way to confirm any current promotions. 2026-10-15 20:45 Claude web search (session-run)	**is Stefanina's Wentzville legit any lawsuits** The search didn't turn up anything about Stefanina's in Wentzville. None of the results mention the business, so I can't tell you whether it's legitimate or whether it has been sued. The results were unrelated: a Gwen Stefani stampede lawsuit, several Wentzville court cases against the city, medical and personal injury lawyer directories, and a Wentzville auto warranty company (US Fidelis) that stopped selling contracts. None of these is the restaurant or business you asked about.
2026-10-15 20:46 Claude web search (session-run)	**Stefanina's Wentzville phone number** The search didn't turn up Stefanina's phone number. None of the results list a phone for the restaurant, so I can't give you a number from these results. The only result about Stefanina's is a local news item. It describes the Wentzville restaurant as a long-running local business with a recent problem involving Google AI showing menu items and specials that don't exist. That story doesn't include contact details. Sources cited: https://ground.news/interest/wentzville

2026-10-15 20:46 Claude web search (session-run)	**Stefanina's Wentzville address** The search didn't turn up a dedicated listing for Stefanina's, but one third-party directory gives its address as 766 W Pearce, Wentzville, MO 63385. That directory is an exit-guide page that lists nearby businesses by exit, with Stefanina's Italian Restaurant shown on the left side of I-70 at Exit 208, about 0.35 miles away. Because the address comes from a directory rather than the restaurant itself, confirm it with Stefanina's or a current map service before relying on it.
