Christmas Would You Rather?

60 funny, family-friendly questions for parties, classrooms and the dinner table

60 QUESTIONS | CARDS + SHEETS | ALL AGES

How to Play

1. Print the question sheets, or print the cards and cut along the dashed lines.
2. Take turns reading a question aloud, or draw a card from a bowl.
3. Everyone picks an answer: point left for the first choice and right for the second.
4. Ask each side to explain their pick. The funniest reason earns a point or a cookie!

Play It Your Way

- Icebreaker: go around the table so everyone answers one question.
- Team vote: split into two teams and guess which answer most of the other team will pick.
- Classroom: show a card and have students move to one side of the room for each answer.
